# BOSS RT1

*Built to Tour. Ready for Adventure.*

The RT1 Rooftop tent set out to be the most deluxe rooftop tent available, delivering the best night sleep possible in a durable construction.

Crafted from the same marine grade aluminium and textured powder coating as our trays and canopies, this is a tent that's built to last.

Select our standard RT1 for a basic setup with a 100mm thick Australian-made mattress, or step up to the RT1 Overlander Package, which includes a 130mm thick mattress, 12V and USB sockets, interior LED lighting, aero mesh and tent roof rack rails for added creature comforts.
